You've got to believe 

This is our monthly email providing important information to Detroit Public School (DPS) students, parents, teachers and staff, and others interested in preparing for college. Please forward this email to your friends and social networks.

Students who register for The Detroit College Promise scholarship and the adults they designate automatically receive this email.

Attention Cody and Douglass 2010 Graduates

Cody and Douglass students need to get us their financial aid forms from the college they will be attending. We also need your scholarship acceptance letters. All students who applied by 1/25/10, live in Detroit, and attend these schools will be eligible for our \$500 scholarships. The form is on the Links page of our website, under Flyers or click [here](#).

Attention Cass Tech, Trombly, Central, and Pershing 2010 Graduates

We will be randomly selecting at least 2 students from each school to receive a \$500 scholarship. To receive the scholarship you **must** send us your financial aid letters from the school you will be attending as well as the scholarship acceptance form. These two forms must be sent to us by **June 1, 2010**. We will try to give scholarships to as many students as possible, but we must receive your forms.

Students at all other DPS schools

We plan on extending our program to **all** DPS schools next year!
