Scholarship Recipients

last revised 20 September 2012

Scholarship awards are towards tuition at a Michigan public college or university for full time (12 credits or more) enrollment. The amount of the award is based on the FAFSA (federal financial aid) related grants. Students whose FAFSA related grants pay 100% of tuition received a "book award". Other students received a "maximum" award. Students have 10 years to "claim" their scholarship, so the awards are listed by college year, which may be different from the year the students graduated.

2009-2010 college year:

Destine' Clark, Michigan Technological University
Amonda Lester, Ferris State University
Quinea Powell, Wayne State University
Jeneece Randle, University of Michigan-Flint
Dasia Sorrell, Wayne State University
Patricia Turner, Eastern Michigan University

Requirements:

For our pilot program, scholarship recipients were required to attend Cody High School from 12/1/2008 through graduation and live in Detroit from 12/1/2008 through graduation.

Results:

For the class of 2009, the maximum award was \$500 for 4 years or \$2,000 total (students must reapply each year). There were also 13 students who completed the paperwork, but whose tuition was entirely paid by FAFSA related grants. In later years, they would have received the book award, but it had not yet been established. For the 2009-10 college year, The Detroit College Promise awarded \$2750 in its scholarships for the 2009-10 college year, and helped these 19 students get a total of \$155,310 in grants from all sources.
