Detroit, Mi (My TV20 News at 10) -- 155 former DPS students received thousands of dollars in scholarships for college today through the Detroit College Promise Foundation, a non profit program where donations are created into scholarships for students who wish to attend a public Michigan college or university.

So far over 350 former DPS students have received scholarship money to attend college and over \$100,000 has been donated toward DCP.

Tune in tonight to hear from DCP's founder and some of the winners of the scholarships.
